Message from President Bruce Cullen

Here it is the New Year "2010" can you believe it! We have a lot we need to get accomplished this year.

The Cub Scouts Snow Capades – Are to be held at Lake of the Woods on 01-15 & 01-16, 01-22 & 01-23, and 01-29 & 01-30. This is where the Cub Scout Troops come from all over to play in the snow, do all kinds of snow activities & spend the night. Anyone that can volunteer time to help make this a success would be greatly appreciated. For more information please contact Bruce Cullen @ 541-892-5424.

The Candlelighter's event which is approaching fast will be February 02-20-10 at Lake of The Woods. This involves all District 5 clubs and we need a lot of club involvement to make it successful! It involves all kinds of activities, games including a radar run. All proceeds will go to the Candlelighter's Cancer Children's fund.

The Snowmobile Convention is up coming in John Day on 01-19-10 to 01-24-10, with the Dinner on 01-23-10. We hope to see you there!

The OSAA Calendar's are for sale & are \$20.00 each. Your purchase will enter your name into a daily drawing which has a minimum of a \$20.00 gift value. Please let me know as soon as possible if you are interested so I can get yours ordered! You can contact me at #541-892-5424 (Bruce Cullen) Please try to purchase one!

The Klamath Basin Snowdrifters are having a Crab Feed on Saturday 01-30-10 @ 6:00pm at the Klamath County Fair Grounds (Blue Building). You will need to bring a side dish & your own drink. The cost will be announced once the Crab is Lined Up. We will post it on the Web Site & a note will go out by email. We will also be placing announcements on local Radio stations. We would really appreciate your attendance! This event is used to raise needed money for our Club, the Klamath Basin Snowdrifters.

We are trying to groom the trails, but finding it is very difficult, with the current level of snow. We are looking to do some grooming at Pelican Butte soon!

We had a good turnout for the Medicine Lake New Years Snowmobile camp out. We were able to ride all over and found lots of fresh snow each day! Unfortunately I (Bruce Cullen) was not able to ride because the day before departing for Medicine Lake, I fell in the drive way & broke my wrist! But we still went & I was the camp host. I did get one ride in, thanks to my wife! Somehow she was able to steer my snowmobile (which was new to her) and keep me on behind, at least keep me on most of the time! All this was accomplished while maneuvering through fresh powder!!

Please keep signing those Petitions for the Crater Lake Wilderness & keep writing to your representatives in expressing your opinions on this proposal. It's extremely important that we don't lose sight of this. A bad outcome will affect all who enjoy using our natural surroundings, now & future generations.

The next General Club meeting is Tuesday 01-12-10 @ 6:00pm. Hope to see everyone at Mia's Pia's unless otherwise announced.

Think snow!

Note from VP Jeff Ranger

I would like to take this opportunity to thank everyone who attended our annual Snowdrifters Christmas Potluck! Despite the cold temperatures and icy roads, we had a great turn out. There was lots of good food, plenty of gifts and loads of laughter. We were able to dine with many of our current members as well as get to know several new members. A good time was had by all! With any luck we will be able to have a repeat at the Crab Feed later this month.
